

Inflatables, Interactives, Games & Event Equipment from **Fund Resources, Inc.**

Rental of inflatables includes delivery, set-up, take-down and pick-up by Fund Resources' trained personnel. Unless otherwise noted, organization must provide operators to run the inflatables during your event. (Operators can be provided by Fund Resources at an additional charge which depends on the equipment to be rented, date, location and length of the event.) All inflatables use blower fans provided by Fund Resources. The fans require electricity, which must be provided by the organization. (Generators can be provided by Fund Resources at an additional charge - see page 26 below. The number of generators needed depends of the equipment rented.)

All of our equipment is **insured** and has been **inspected** by State of Texas inspectors, and all that require it are registered with the State of Texas Department of Insurance, and posted on the Texas Department of Insurance website. As the state of Texas says, "look for the sticker" on any inflatable equipment you rent from **anyone**, it's the law! See sample of sticker at right.

We are also a proud member of **T.I.O.A.**,
the **Texas Inflation Operators Association**.

Our managers and employees have been trained in responsible inflatable operations under guidelines from **S.I.O.T.O.** (**Safe Inflatables Operators Training Organization**.) And all employees have had background checks.

Because inflatables must be supervised at all times by a responsible adult, we review safe operation procedures with your volunteers before the event starts and provide written guideline sheets for each inflatable as well.

The price for each individual item is listed next to the item. We offer discounts off the individual prices based on the following **PACKAGE DEALS**:

Deal #2: Rent 2 inflatables - Take a **5% discount** off the combined inflatables prices.

Deal #3: Rent 3 inflatables - Take a **8% discount** off the combined inflatables prices.

Deal #4: Rent 4 inflatables or more - Take a **10% discount** off the combined inflatables prices

Please note that interactive rides (rock walls, mechanical bull rides, trackless trains, etc.) require operation by Fund Resources personnel only. They have their own special pricing - see pages 21 - 25 below.

The discounts shown above do not apply to interactive rides, any other rental items, or Fun Fair prizes.

Safety First! Inflatables are best set up by staking them down, either in grass or a dirt surface, so that they stay anchored in place in case of wind. Setting up in parking lots or on hard surfaces requires the use of sand bags or water barrels. The number needed depends on the inflatables rented. Sand bags rent for \$10 each. Water barrels rent for \$30 each. We prefer setting up in grass or dirt but will set up on hard surfaces if the organization rents enough sand bags/water barrels to keep the inflatables in place (and that can add substantial cost to your event.) Regardless of how the inflatables are set up, none may be opened and available for play if winds exceed 20 mph, and must be shut down during rain or lightning..

Electrical Needs. All inflatables use blower fans provided by Fund Resources. The fans require electricity, which must be provided by the organization. Each fan requires a 110 volt 20 amp independent circuit. Generally, two fans cannot be plugged into the same circuit as it will blow the circuit. Generators can be provided by Fund Resources at an additional charge - see page 26 below. The number of generators depends on the number of fans.

Don't Forget

Inflatable Kids Laser Tag - uses infrared equipment, no real lasers so it's safe!

25' long by 25' wide by 6' tall

Requires one 110 volt 20 amp independent circuit.

Rental Price: \$525.00

Two to four teams gear up with infrared "laser" guns with sensor vests. The teams then enter the inflatable 22' by 25' arena maze. Each team member attempts to make his/her way through our challenging maze, maneuvering around the walls and obstacles. The object

is to shoot as many of your opponents as you can while not being hit. This maze accommodates 2 - 8 laser fighters at a time, depending on age and size.

NOTE: Windows on the left side allow operators and parents to see what is going on inside.

Our laser tag units emit invisible, harmless infrared light, just like the infrared used in many TV remote controls. Despite the name "laser tag" there are actually no lasers used, and eyeglasses are not required to play.

Outdoor Laser Tag

Our Outdoor Laser Tag Game consists of inflatable obstacles, fences, and other small structures set out in a maze on a grassy area such as a playground or sports field. Up to ten kids can play at a time, depending on age and size.

Needs an open space of about 80' by 80', although we can set up in smaller areas.

Rental Price: \$695.00

Players gear up using infrared "laser" guns with sensor vests. The teams then enter the maze. Each team member attempts to make his/her way through our challenging maze, maneuvering around the walls and obstacles. The object is to shoot as many of your opponents as you can while not being hit. This maze accommodates up to ten (10) laser fighters at a time, depending on age and size.
